

GARY BROWN

Instructor

Personal Profile

A very confident experienced Advanced Scaffolder; who has progressed from the practical elements of the scaffolding industry to the more theoretical and instructional aspects of the industry. My experience includes delivering scaffolding, inspection, supervisory, and consultancy both in the UK and overseas in countries such as the UAE, Saudi Arabia, Kazakhstan, Turkey and Philippines. I have assisted 2 x CISRS training centres attain centre accreditation status for NVQ and also approval to deliver Part One, Two, Advanced and Inspection training courses both in the UK and Overseas.

Able to communicate effectively at all levels. My instructional skills have developed through experience delivering training with to classes of mixed nationalities using translators and alternative training methods. Good organisational skills, with the ability to prioritise and meet strict deadlines. Can work very well as a team member or equally well on my own initiative.
